

## Advisor for Psychology

**Mike Valente**

**Email:** [Michael.Valente@wwu.edu](mailto:Michael.Valente@wwu.edu)

**Office:** AI 436

**Phone:** 360-650-3517

[Department of Psychology](#)

See Mike Valente for information or assistance in discussing the transferring of study abroad credits to your Psychology Major or Minor.

**Internships:** Please note that the WWU Psychology Dept. does NOT offer credit for internship experiences.

After you decide on a program and the courses you will take abroad, you must meet with an Advisor to complete the [EdAbroad Departmental Academic Advising Form](#). The form must be completed before you leave on your study abroad program.

Transcripts from your program abroad MUST be sent to the Education Abroad Office for [processing](#) upon completion of your program.

Explore Scholarships & Financial Aid opportunities on the [EdAbroad Scholarships & Financial Aid page](#).

Compare Programs and Budgets using the [Things to Consider](#) sheet

# Department of Psychology

The following programs offer significant coursework and field immersion opportunities for **Behavioral Science, Psychology, and Research** related coursework. This is meant to highlight a variety of programs by region; please note there are many more available beyond what is listed here and this is not a guaranteed list for credit transfer. Students will still need to meet with their departments to discuss fulfilling degree requirements. Please visit our website at <https://studyabroad.wwu.edu/> for additional opportunities.

## **Fulbright Commission Summer Institutes**

- The US-UK Fulbright Commission offers special Summer Institutes for US citizens to come to the United Kingdom. These summer programs provide the opportunity for US undergraduates (over 18 years old), with at least 2 years of undergraduate study left to complete, to come to the UK on 3-6 week academic and cultural summer programs to explore the culture, heritage, and history of the UK and develop academic ability by improving presentation, research, and communication skills
- Must be a US Citizen and possess a US Passport, be at least 18 years old, have a high level of academic achievement with a minimum GPA of 3.7 (confirmed by academic marks, awards, and references)
- Must have at least 2 years of university study upon their return (i.e. applicants should currently be a Freshman, or Sophomore in college/university)
- Summer terms available; Deadline for this scholarship is usually in mid-February

## **Multidisciplinary International Research Training (MIRT) Fellowship**

- The Harvard School of Public Health-Multidisciplinary International Research Training (HSPH-MIRT) Program is a national program designed to encourage underrepresented students to pursue careers in biomedical and behavioral science research careers
- The program provides support for undergraduate and graduate students to do research work overseas
- Students spend 8-12 weeks, beginning in mid-June, at foreign research sites
- Financial support includes: round trip airfare, monthly stipend, foreign living expenses, and health insurance
- Must be a US citizen or permanent resident, Junior status by the time of fellowship, and enrolled full time
- Programs available in **Africa, Asia, Australia, and Latin America**
- Short term & Summer terms available
