Cost Effective Programs

The Education Abroad Office offers programs and exchanges that vary in cost. The following programs highlight a variety of programs by region all priced around $10,000 or less; please note there are many more available beyond what is listed here and this is not a guaranteed list for credit transfer. Students will still need to meet with their major/minor departments to discuss fulfilling degree requirements. Please visit our website at https://studyabroad.wwu.edu/ for additional opportunities.
