

## Department of Sociology

The following programs offer significant coursework and field immersion opportunities for **Sociology** related coursework. This is meant to highlight a variety of programs by region; please note there are many more available beyond what is listed here and this is not a guaranteed list for credit transfer. Students will still need to meet with their major/minor departments to discuss fulfilling degree requirements. Please visit our website at <https://studyabroad.wvu.edu/> for additional opportunities.

### Program Options

Direct Exchanges	ISEP Exchanges

## WWU Global Learning Faculty-Led Programs

Global Learning Programs are sponsored by a WWU department and generally consist of a faculty member taking a group of students to study discipline based courses abroad. Study with other WWU students and learn from WWU faculty all while paying WWU tuition and in-country program fees

- [India-Himalaya Cultures & Ecology Field Program](#) - Students will earn 12 credits during the summer term studying Tibetan and Ladakhi culture, religion and history while learning about local issues of water scarcity, cultural survival and adaptation to a changing climate. Students will work with grassroots organizations on community development projects and trek in the Western Tibetan Plateau
- [Rwanda – Field Studies & Collaborative International Service Learning](#) - Students will earn 12 credits during the summer term exploring the history and cultures of Rwanda and actively collaborating with in-country experts to implement field experiences and service learning. Projects may include working with local community based and government organizations in areas of teaching English as a second language, and more
- [Kenya- Fields Studies and Collaborative International Service Learning](#)- Students will earn 15 credits during the winter quarter discovering the culture and politics of Kenya, exploring challenges that rural Kenyans face, examining grassroots approaches to community development, and applying these perspectives
- [Thailand & Burma – Discover Southeast Asia](#) - Students will earn 15 credits during the winter quarter exploring environmental and social justice issues in Northern Thailand and Burma. Students will work on local community projects and trek in the jungles of Thailand and Burma. Open to students from all fields
- [China – Changing China: Culture, Community, and Citizenship](#) - Students will earn 15 credits during the fall quarter exploring the global perspective of one of the oldest civilizations with the fastest economic growth rate in the world and focuses on social stratification, political control, and social change
- [Guatemala – Building Cross Cultural Connections](#) - Students will earn 10 credits during the summer term exploring the history, politics, cultures, and social issues of Guatemala while expanding cultural competence by engaging in cross cultural service and immersion. Students will work with children and families in educational, health, and food distribution projects while developing an understanding of global citizenship
- **Check out all of WWU’s Global Learning Programs to find a program that meets your interests!**  
[WWU Global Learning Faculty-Led Programs](#)

## Africa

[Back to Top](#)

## Accra, Ghana

- [Pay WWU in-state tuition on Exchange for this program through ISEP](#)
  - Students on the GEO Ghana program will engage in service learning or internship experiences with community based institutions related to health, environment, education, youth, gender, and more
