

GO ABROAD FAIR 2018

Sponsored by Education Abroad & the Career Services Center

WWU Education Abroad

CAMPUS, INTERN, SERVICE, STUDY, TEACH, TRAVEL RESOURCES

Education Abroad (EdAbroad), is Western's study abroad office. EdAbroad works with faculty, staff and study abroad organizations for the coordination, development and promotion of a broad array of international education programs to prepare students for global leadership and citizenship. EdAbroad programs and activities include classroom-based and experiential activities, both on-campus and abroad. EdAbroad links students with quarter, semester, short-term and year-long programs in a variety of countries. Students may receive academic credit and financial aid for approved programs. Search for programs on our website and check out our Major Advising Pages (MAPs) for education abroad which highlight programs by academic area.

New York Film Academy

STUDY

NYFA is delighted to provide the opportunity for students to study filmmaking and acting at one of our premier campuses: Florence, Paris, Gold Coast (Australia), and Beijing. At all international locations, students can receive regionally accredited transcripts. The NYFA Study Abroad programs range from one week to one semester and provide a unique experience that is not had in a typical classroom setting—students interact with people and cultures on a daily basis by immersing themselves in filmmaking and acting for film programs and use NYFA's host city and country, as their film set and location shoots. Of the four locations we run our programs, the Florence and Gold Coast are campuses that are held year-round, including semesters. NYFA's in Paris and Beijing are summer programs of various lengths.

Contact: www.nyfa.edu/programs/study-abroad.php Hannah Gilliland hannah.gilliland@nyfa.edu

Peace Corps

CAMPUS, TEACH, VOLUNTEER, WORK

WWU's graduates have a long tradition of serving as Peace Corps Volunteers in Africa, Asia, the Caribbean, Latin America, Eastern Europe and the Middle East. Put your skills, education and training to practical use and make a difference in areas such as education, environmental protection, community and economic development, health education and more. You'll earn a monthly living allowance; medical and dental care is provided; as is transportation to and from the country of service. You'll gain experience that is highly sought by employers. In the global marketplace, the international experience, cross-cultural knowledge, and leadership skills that you obtain in the Peace Corps will serve as a foundation for a successful career.

SEA Semester® at Woods Hole**STUDY**

Do you want an adventure with a purpose? SEA Semester is the leading off-campus environmental studies program focused on the world's oceans. They offer adventurous tall ship sailing voyages grounded in purposeful academic coursework. Summer and semester programs carry transferable Boston University credit and are designed to fit seamlessly into major, minor, or elective requirements. SEA Semester combines classroom study on shore in Woods Hole, Massachusetts with a transformative hands-on sailing research voyage in the Atlantic, Pacific, or Caribbean. Open to all majors!

Contact: <http://www.sea.edu> Eric Stengrevics 508-444-1906 estengrevics@sea.edu

Semester at Sea® (SAS)**STUDY**

A multiple-country study abroad program, based on board a ship, which emphasizes comparative academic examination, hands-on field experiences, and meaningful engagement in the global community. Come sail the world with us, take your courses on board the ship, and visit 10-12 different countries around the world! Up to a week is spent in each country. A wide variety of coursework from 20-25 disciplines is integrated with relevant field studies in up to a dozen countries, allowing for a truly transformative, global experience. Students may take 12-15 semester credits while on their voyage. Students may participate from any major, any school, and any country. Credit earned is transferable to WWU through the program's academic sponsor, the Colorado State University. This program will change your life!

Contact: <http://www.semesteratsea.org/> 800-854-0195 info@semesteratsea.org

SIT Study Abroad**INTERN, STUDY**

SIT provides academically engaging, field and research/internship-based, semester and summer programs in Asia and the Pacific, Africa, Europe, Latin America, and the Middle East. Studying with host country faculty and living with families, students gain a deep appreciation for local cultures, develop language skills, and become immersed in diverse topics ranging from the politics of identity to post-conflict transformation, from global health to environmental policy.
