Department of Communication Studies

See Ann Reynolds for information or assistance in transferring study abroad credits to your Communication Studies program.

After you decide on a program and the courses you will take abroad, you must meet with an Advisor to complete the EdAbroad Departmental Academic Advising Form. The form must be completed before you leave on your study abroad program.

At least 50% of the credit hours required for the major/minor must be earned at WWU. For the minor, a maximum of 12 credits may apply. Internships are not able to obtain pre-approval. The Communication Studies internship supervisor can review the internship after the fact for potential credit.

Transcripts from your program abroad MUST be sent to Education Abroad for processing upon completion of your program.
