See Erica Steele for information or assistance in transferring study abroad credits to your Political Science program.

After you decide on a program and the courses you will take abroad, you must meet with an Advisor to complete the EdAbroad Departmental Academic Advising Form. The form must be completed before you leave on your study abroad program.

At least 50% of the credit hours required for the major/minor must be earned at WWU. For the minor, a maximum of 12 credits may apply.

Transcripts from your program abroad MUST be sent to the Education Abroad Office for processing upon completion of your program.

Consider an International Studies Minor to add an International focus to your degree!
