**German Program**

See Professor Dubenion-Smith for information or assistance in transferring study abroad credits to your German program.

There is no limit to the number of study abroad credits that may be transferred back to Western.

Credits may be transferred towards a German major or minor if the courses are:

- Taught entirely in German
- Sufficiently academic and deal with German language, linguistics, literature, or culture (at the discretion of Professor Partsch)
- Graded A-F or S/U, but not pass/fail

Majors must complete German 401 and 402 on campus as well as 50% of the credits needed for the major or minor on campus.

After you decide on a program and the courses you will take abroad, you must meet with Professor Dubenion-Smith to complete the [EdAbroad Departmental Academic Advising Form](#).
