French Program

See Professor Keppie for information or assistance in transferring study abroad credits to your French program.

There is no limit to the number of study abroad credits that may be transferred back to Western.

Credits may be transferred towards a French major or minor if the courses are:
- Taught entirely in French
- Sufficiently academic and deal with French language, linguistics, literature, or culture (at the discretion of Professor Hanania)
- Graded A-F or S/U, but not pass/fail

Majors: must complete at least one 400 level course on campus as well as 50% of the credits needed for the major or minor on campus.

After you decide on a program and the courses you will take abroad, you must meet with Professor Keppie to complete the EdAbroad Departmental Academic Advising Form.
