Winter Quarter, Spring Quarter & September-Month Programs

The Education Abroad Office offers programs and exchanges that vary in length. The following programs highlight Winter Quarter, Spring Quarter and September month program options for Study Abroad. (Noting that Fall Quarter and Fall Semester terms can work concurrently and favorably for a Quarter System) This is meant to highlight a variety of programs by region; please note there may be more available beyond what is listed here and this is not a guaranteed list for credit transfer. Students will still need to meet with their major/minor departments to discuss fulfilling degree requirements. Please visit our website at https://studyabroad.wwu.edu/ for additional opportunities.
