

Education Abroad Goal Setting Form

~ Bring this completed form to your individual Education Abroad Advisor appointment. ~

Name:

W#:

Current Year at Western:

GPA:

Major/Minor:

1. Is there a specific subject you want to study? If so, which?
2. Is there a specific location (region, country, or city) where you want to study? If so, where?
3. Check the boxes of the academic activities that interest you: Classes Internships Service Learning Field School
4. Is there a specific term you want to study, or are you flexible?
5. What language do you want your courses to be taught in? For students wanting coursework taught in English, would you consider non-English speaking countries provided the coursework was taught in English? Yes or No
6. Do you speak any languages besides English? If so, with elementary, intermediate, or advanced proficiency?
7. Do you receive the Pell Grant or other need-based financial aid?
8. Please rank in order of preference your top three factors in selecting an education abroad program (e.g., location, subject, affordability, professional development, friends, etc.)?
9. Are there any other factors in your EdAbroad decision-making (e.g., identity, specific accommodations, city size, housing, climate, type of program, etc.) for which you want our help in finding a program that meets your needs?
10. What do you want to get out of your international education experience? What are your goals?
11. List any other considerations that may impact you being able to go abroad.
